

Covid-19 / Coronavirus Precautions

Temporary changes in opening times, Saturday closure and Contact Centre availability.

SBI UK is committed to playing its part in helping reduce the spread of Coronavirus by taking on board the current health guidelines wherever practically possible.

We have therefore decided that until further notice, as a temporary measure, our branches will open between **10am and 2pm on weekdays.** In addition, with effect from 28th March 2020 and until further notice, our branches will not be opening on Saturdays. In view of the travel restrictions imposed on our employees, our Contact Centre services are temporarily unavailable.

We hope you understand and apologise for any inconvenience this may cause.

Access to your banking will still be available via our YONO mobile banking App, Internet Banking and any ATM.
