

Covid-19 / Coronavirus Precautions

Extension of Branch Opening Hours and 24/7 Contact Centre

SBI UK is continuing to play its part in helping reduce the spread of Coronavirus by taking on board the current health guidelines wherever practically possible.

In accordance with new Government rules, with effect from 24th July, it will be compulsory to wear a face covering when visiting any of our branches.

Now that lockdown measures have been eased again, our branches will now open between **10am and 3pm on weekdays** and in addition, access to lockers will now be made available again. They will, for the time being remain closed on Saturdays.

You can continue to access banking services through YONO mobile banking app and internet banking. You can also access our contact centre 24/7.
