Entity tax residency self-certification form instructions

Please read these instructions before completing the form.

"Regulations based on the OECD Common Reporting Standard ("CRS")" State Bank of India (UK) Limited to collect and report certain information about an account holder's tax residency. If your tax residence (or the account holder, if you are completing the form on their behalf) is located outside United Kingdom, we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to HMRC. You can find definitions of who is classified as an account holder, and other terms, in the Appendix.

This form will remain valid unless there is a change in circumstances relating to the account holder's tax status or other mandatory fields included on this form. You must notify us of a change in circumstances that makes the information in this self-certification incorrect or incomplete and provide an updated self-certification.

This form is intended to request information only where such request is not prohibited by local law.

Please complete this form where you need to self-certify on behalf of an entity account holder.

If you are an individual account holder or sole trader or sole proprietor do not complete this form. Instead please complete an "Individual tax residency self-certification form."

For joint or multiple account holders please complete a separate form for each account holder.

If the Account Holder is a "US Person" under US Internal Revenue Service ("IRS") regulations, an IRS Form W-9 may also need to be completed.

This information should also be provided by all Investment Entities located in a Non-Participating Jurisdiction and managed by another Financial Institution.

If you are completing the form on the Account Holder's behalf,

If you have any questions about this form, these instructions, or defining your tax residency status, please speak to your tax adviser or local tax authority.

Appendix - Definitions

Note: These are selected definitions provided to assist you with the completion of this form. Further details can be found within the OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the CRS"), the associated Commentary to the CRS, and domestic guidance. This can be found at the following link [OECD].

If you have any questions then please contact your tax adviser or domestic tax authority.

"Account Holder" The term "Account Holder" means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

"Active NFE" An NFE is an Active NFE if it meets any of the criteria listed below. In summary, those criteria refer to:

- active NFEs by reason of income and assets;
- publicly traded NFEs;
- Governmental Entities, International Organisations, Central Banks, or their wholly owned Entities;
- holding NFEs that are members of a non-financial group;
- start-up NFEs;
- NFEs that are liquidating or emerging from bankruptcy;
- treasury centers that are members of a non-financial group; or
- non-profit NFEs.

An entity will be classified as Active NFE if it meets any of the following criteria:

a) less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;

Controlling Person, of all the account(s) held by the entity Account Holder to which this form relates.

I declare that all statements made in this declaration are, to the best of my knowledge and belief, correct and complete.

I undertake to advise State Bank of India (UK) Limited within [XX] days of any change in circumstances which affects the tax residency status of the individual identified in Part 1 of this form or causes the information contained herein to become incorrect, and to provide State Bank of India (UK) Limited with a suitably updated self-certification and Declaration within [up to XX] days of such change in circumstances.

Note: If you are not the Controlling Person please indicate the capacity in which you are signing the form. If signing under a power of attorney please also attach a certified copy of the power of attorney.

Capacity: *

- b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- c) the NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- e) the NFE is not yet operating a business and has no prior operating history, (a " start-up NFE") but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;
- f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- h) the NFE meets all of the following requirements (a "non-profit NFE");
- i) it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce,

Appendix - Definitions *(Continued)*

labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare;

ii) it is exempt from income tax in its jurisdiction of residence;

iii) it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;

iv) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFE's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and

v) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents require that, upon the NFE's liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organisation, or escheat to the government of the NFE's jurisdiction of residence or any political subdivision.

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person or persons are identified as exercising control of the Entity through ownership interests, the Controlling Person of the Entity is deemed to be the natural person who holds the position of senior managing official.

"Controlling Person" This is a natural person who exercises control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("NFE") then a Financial Institution must determine whether such Controlling Persons are Reportable Persons. This definition corresponds to the term "beneficial owner" as described in Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

Controlling Persons of a trust, means the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, and any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). The settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, must always be treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions.

"Entity" The term "Entity" means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

"Financial Account" A Financial Account is an account maintained by a

Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

"Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution" is any Entity the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets if the Entity is (i) managed by a Financial Institution and (ii) not resident in, or a branch located in, a Participating Jurisdiction.

"Investment Entity managed by another Financial Institution"

An Entity is "managed by" another Entity if the managing Entity performs, either directly or through another service provider on behalf of the managed Entity, any of the activities or operations described in clause (i) above in the definition of 'Investment Entity'.

An Entity only manages another Entity if it has discretionary authority to manage the other Entity's assets (either in whole or part). Where an Entity is managed by a mix of Financial Institutions, NFEs or individuals, the Entity is considered to be managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or the first type of Investment Entity, if any of the managing Entities is such another Entity.

"Participating Jurisdiction" A Participating Jurisdiction is a jurisdiction with which an agreement is in place pursuant to which it will provide the information set out in the Common Reporting Standard.

"Passive NFE" Under the CRS a "Passive NFE" means any NFE that is not an Active NFE. An Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution is also treated as a Passive NFE for purposes of the CRS.

"Reportable Account" The term "Reportable Account" means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

"Reportable Jurisdiction" A Reportable Jurisdiction is a jurisdiction with which an obligation to provide financial account information is in place.

"Reportable Person" A Reportable Person is an individual (or entity) that is tax resident in a Reportable Jurisdiction under the laws of that jurisdiction. The Account Holder will normally be the "Reportable Person"; however, in the case of an Account Holder that is a Passive NFE, a Reportable Person also includes any Controlling Persons who are tax resident in a Reportable Jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

"TIN" (including "functional equivalent") the term "TIN" means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link [OECD Portal.] Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.

Credit Reference and Fraud Prevention Agencies

We may use credit reference (CRA) and fraud prevention (FPA) agencies to help us make decisions. How we, CRAs and FPAs will use your information is detailed below.

By **confirming your agreement to proceed** you are accepting that we may each use your information in this way.

How we will use your data

1. We will search at credit reference and fraud prevention agencies for information on all applicants. In so doing we will provide current and previous names, addresses and dates of birth, of all parties, so if you are providing information about others, on a joint application, you must be sure that you have their agreement. If you give us false or inaccurate information and we identify fraud, details may be passed to credit reference and fraud prevention agencies.
2. We will use the information provided to us by credit reference and fraud prevention agencies to help make credit or credit related decisions about all applicants, to verify their identity, for the prevention and detection of fraud and/or money laundering, and to manage accounts. We may use scoring methods, which may be automated, to do this. If you borrow from us and do not make payments that you owe us, we will trace your whereabouts and recover debts.
3. When credit reference agencies receive a search from us they will place a search "footprint" on your credit file whether or not this application proceeds. If the search was for a credit application the record of that search (but not the name of the organisation that carried it out) may be seen by other organisations when you apply for credit in the future.
4. If you are making a joint application now or have ever done the following we will check your financial associates' personal accounts as well:-

- 4.1 Applied for credit with someone else;
- 4.2 Have joint account(s);
- 4.3 Are already financially linked.

A financial associate will be someone with whom you have a personal relationship that creates a joint financial unit in a similar way to a married couple. You will have been living at the same address at the time. It is not intended to include temporary arrangements such as student or rented flat sharers or business relationships. Credit reference agencies may link together the records of people that are part of a financial unit. They may do this when people are known to be linked, such as being married or have jointly applied for credit or have joint accounts. They may also link people together if they, themselves, state that they are financially linked. Links between financial associates will remain on your and their files until such time as you or your partner successfully files for a disassociation with the credit reference agencies.

5. Credit reference agencies will supply to us, public information such as County Court Judgments (CCJs) and bankruptcies, electoral register information and fraud prevention information on applicants' [and their known financial associates] current and previous names, addresses and dates of birth.

How your data WILL be used by credit reference agencies

6. The information which we and other organisations provide to the credit reference agencies about you, your financial associates and your business (if you have one) may be supplied by credit reference agencies to other organisations and used by them to

- 6.1 Prevent crime, fraud and money laundering by, for example checking details provided on applications for credit and Credit related or other facilities;
- 6.2 Check the operation of credit and credit- related accounts;
- 6.3 Verify your identity if you or your financial associate applies for other facilities;
- 6.4 Make decisions on credit and credit related services about you, your partner, other members of your household or your business;
- 6.5 Manage your personal, your partner's and/or business (if you have one) credit or credit related account or other facilities;
- 6.6 Trace your whereabouts and recover debts that you owe;
- 6.7 Undertake statistical analysis and system testing;
- 6.8 Credit reference agencies can also be fraud prevention agencies.

How your data may be used by fraud prevention agencies

7. The information which we provide to the fraud prevention agencies about you, your financial associates and your business (if you have one) may be supplied by fraud prevention agencies to other organisations and used by them and us to:-
